

PROJECT MANAGEMENT CONSULTANT

About us

Callidus is a leading UK consultant in Health and Safety, Project Management, Asset and Property Management and Health and Safety Training.

We offer a complete consultancy service delivering competent, professional support to clients across the globe. We pride ourselves on providing unrivalled knowledge, dynamic solutions, and exemplary customer service through a fully collaborative approach.

Operating from our Head Office in Leeds and satellite office in Edinburgh, we constantly strive to bring a better perspective to our clients and the communities in which we work.

About the role

An exciting opportunity has arisen for an individual to join our team as Project Manager. The successful applicant will be responsible for managing projects across a range of sectors, such as education, healthcare, construction, retail and aviation. You will provide day-to-day leadership for all projects from conception to handover, working in line with our customer service delivery vision.

Reporting to the Director of Project Management, the candidate needs to be flexible to travel both within the UK and across Europe.

Salary and Package

Up to £45,000 (experience depending) + car allowance (neg) + 26 days annual leave (3 required for Christmas) + Simply Health + Death in Service + Pension

About You

This role is a perfect opportunity for a professional seeking to join an established consultancy with a wide range of clients from varying sectors. Our ideal candidate will bring the following skills and experience to the role:

- Masters/Degree level qualification or equivalent experience and recognised professional qualification
- Ability to handle high levels of pressure and critical decision making
- Ability to deliver on time, within budget
- Highly motivated with a passion for excellence and innovation
- Confidence in presenting and progressing timely updates from the capital programme to senior management
- Ability to build lasting client relationships
- Understand how to use and develop analytics platforms
- Digitally competent
- Experience working with external customer-facing projects
- Excellent verbal and written communication skills

- Organised, methodical, and conscientious
- Demonstrates stability, reliability, and continuity
- Team player with strong interpersonal skills
- Willing to travel UK-wide
- Flexible/responsive approach to requests from both internal and external clients
- Innovative and analytical qualities, with ability to multi-task productively and meet tight deadlines
- Be motivated to grow your career and enjoy the opportunities Callidus have to offer
- Full driving licence required

Key Responsibilities:

- Provide expert advice to the senior team on capital project issues.
- Provide robust project leadership and strategic management for capital work.
- Ensuring the achievement of capital projects with the key strategic objectives and within agreed KPIs.
- Provide technical cost commercial advice
- Key client account management
- Business development
- Deliver full compliance in line with all policy, legislation, regulations, and procedures
- Take ownership of successful delivery of projects, giving leadership and direction to the team
- Manage design teams
- Effectively communicating with all parties
- Identify and manage all risks
- Planning and progress monitoring
- Development of appropriate project controls.
- Continually assess the opportunity to implement new technology solutions as they become available.

Why join us?

Our people are our biggest asset, and we take pride in having a strong and capable team. We invest in our people and provide an excellent benefits package, including a private medical insurance allowance and a comprehensive benefits and wellbeing programme.

We are committed to building an inclusive culture and creating an environment where people can balance successful careers with their commitments whilst offering the opportunity for you to grow and develop. Our company mission, vision and values are at the heart of everything we do, and we want to inspire our colleagues to always strive for the absolute best.

We are a passionate company that is ambitious, innovative, and forward-thinking whilst consistently placing sustainability at the fore. We have a progressive, long-term strategy and would like you to be part of our journey.

Callidus is an equal opportunity employer. We aim to create an inclusive workplace where we treat everyone with fairness and respect regardless of age, disability, race, religion, gender identity, sexual orientation or any other legally protected status.
